

Country View Homeowners Association
Architectural Review Committee Request Form

(Note: Approval process may take up to thirty (30) days. Please submit request in plenty of time for approval process.)

Name _____ Address/Lot # _____

Home # _____ Cell # _____ Email _____

Specific description of proposed addition, modification or improvement (Include size, use, materials etc)

Will this work be done by: Self _____ Contractor: (Name) _____

Note: Any additions must match the design and materials of your house. Please review the Country View Covenants for Building Requirements. All construction must meet current building codes.

Please provide the following supporting documents:

1. Site Plan or sketch showing the location of new construction and distance from the property line.
2. Plan and elevation of new construction.

Return the completed form with the supporting documents to the property manager. (Scan to: pmetcalfe@cdanjoyner.com or Mail to: C Dan Joyner Property Management P. O. Box 16059, Greenville, SC 29606)

It is the purpose of the Architectural Review Committee to insure all new construction and home modifications maintain an aesthetic harmony within Country View.

Approval by the Architectural Review Committee and Board of Directors does not exempt homeowners from obtaining proper building permits from the Greenville County Building Department.

I acknowledge that the information submitted is correct and I have read and understood the covenant restrictions pertaining to my request. I also acknowledge that any deviation from the approved plans requires re-submittal to the Architectural Committee prior to the commencement of work.
